Dear Parents,

Principal: Mr Jon Francies

Year 10 French/German/Spanish

I am sure you will agree that listening to a foreign language is the one skill that is the most difficult to practise outside of school. Therefore we are pleased to be able to offer to all KS4 language students an online facility called Kerboodle which allows access to listening, reading and writing activities for homework and revision anywhere they have internet access. Subscription to Kerboodle also includes access to the online text book for support, as well as an exciting application called Vocab Express, where students can actively engage in learning vocabulary online, something which forms the foundations of success in any language.

The school has now registered with Kerboodle and we are asking each student to contribute £10 to enable them to receive their own registration password. This payment will cover your child's subscription for both Year 10 and Year 11. Payment can be made online through the Academy's website or alternatively, please return the reply slip with payment in a sealed envelope to the A Block post box in Reception by Wednesday 28th September.

Thank you for your support for this valuable resource.

Yours faithfully,

Mr M Verniol
