Dear Parents,

**KS3 French/Spanish**

I am sure you will agree that learning vocabulary is the key to making the best possible progress in a foreign language.

With this in mind, we will again be purchasing the compelling on-line resource, VocabExpress, where students actively engage in learning vocabulary, something which forms the foundations of success in any language. VocabExpress will be used throughout Years 7-9 in both language lessons in class and as homework tasks when students receive their own registration password.

I am asking parents for a contribution of £5 towards the cost of VocabExpress which will cover both the languages learnt in College for Years 7-9. I would be grateful if you could pay by Wednesday 28<sup>th</sup> September so that your son/daughter can collect their password from me in D5 and start on this year's vocab challenges. Payment can be made on-line through the Academy's website or send in payment with the below reply slip.

Thanking you in anticipation.

Yours faithfully,

Mr M Verniol  
Subject Leader MFL
