Principal: Mr Jon Francies

Dear Parent/Carer,

Year 10 Achievement Support Evening -  
Thursday 14th September at 7.00 – 8.00pm

This evening is all about providing key information and support strategies for parents as students' progress through their courses, having now commenced their Key Stage 4 studies. It provides an opportunity to discover more about life at key stage 4 at an early stage in the year to allay any fears and increase their confidence in meeting the challenges ahead.

It is already recognised that this group of students show great potential, so much of the focus of the presentations will centre upon raising achievement with a number of senior staff speaking briefly about key areas that will support and enhance learning in this most important phase of their education.

I urge you to attend as the information and ideas addressed here will offer some practical support for coping with a teenage son/daughter in the stresses and throws of Key Stage 4. It is an evening that has been extremely well attended and valued by parents since it has been on the calendar.

I hope you have a restful summer and look forward to seeing you at this event.

Yours sincerely

Mr A Smith  
Director of Key Stage 4
