Dear Parent/Carer

Year 10 Subject Evening – Tuesday 14th November 2017

In this very important GCSE year, we are aware that we need to take an early opportunity to discuss ways of best supporting your child. You are therefore invited to the Academy to meet subject teachers on Tuesday 14th November 2017.

This year we have extended the timings for the Year 10 Subject Evening, responding to feedback from parents who would prefer an earlier start and to help accommodate the near 95% parent attendance seen during our parent evenings last year.

The timings of the evening are as follows and you are most welcome to attend at the time most convenient to you.

Session 1: 2pm – 4pm

Session 2: 5pm – 7pm

During this time you will have the opportunity to meet with your child's subject teachers to discuss progress. We would prefer you to target the teachers of those subjects in which your child is making the least progress so that the meeting has the most impact. When you arrive please report to the sign posted reception area at the front entrance, where you will receive your child's report detailing their mock exam results.

We look forward to seeing you on the 14th November.

Yours faithfully

Colin Guyton
Vice Principal
