Dear Parent/Carer

We are pleased to invite you to the first Year 11 Information Evening of the year.

This will take place on **Thursday 27th September from 4pm until 7pm** at the Academy.

This will be a chance to meet with your child's tutor and receive an update as to their predicted GCSE grades as well as some feedback about their effort and achievement in their GCSE subjects.

We will be providing you and your child with key dates and information about the year ahead, to include revision resources and guidance to support them in ensuring that this vital first term is a success. Core subject teachers will be on hand to answer any questions and the pastoral team will be available to discuss any issues or concerns that you might have.

Your child's form tutor will be making an appointment with them for a 1:1 conversation about their progress but other staff will be available for the duration of the evening so please feel free to attend at a time that suits you. There will be a short presentation from the Head of Year repeated at 4.15pm, 5.15pm and 6.15pm.

There will also be the opportunity to speak to careers advisors and further education providers about access to the next steps after GCSE.

We would urge you to take this opportunity to work with us and your child in preparing them for the year ahead and sharing important information about their likely GCSE outcomes.

Yours faithfully

Christopher Dean
Assistant Principal
