

## OAKMEEDS PE FIXTURES- A GUIDE

The point of fixtures is to give pupils the opportunity to represent their school in competitive sport and is intended to foster notions of teamwork, respect, fair play and community.

- 1) Fixtures are advertised on the school website and/or the PE noticeboard and TEAMER (online management system).
- 2) Pupils should confirm their availability ASAP either via the PE noticeboard, TEAMER or verbally to the teacher in charge.
- 3) The timings for when fixtures finish or for when we return to school are approximate. Pupils may use their phones to contact parents about picking up arrangements.
- 4) Teams travel to AWAY fixtures by school minibus.
- 5) Parents are welcome to watch matches and pupils can be picked up from an AWAY venue by parents.
- 6) Fixtures are liable to change at short notice i.e bad weather. This is communicated to pupils ASAP.
- 7) For most fixtures full PE kit is required, including shin pads (Football) and gum guards (Rugby). Occasionally, the pupils are given a team strip to wear.
- 8) Football matches at Oakmeeds will be on the 3G, unless otherwise stated.
